78. Calyon and LBCS are parties to that certain ISDA Master Agreement dated as of October 2, 2006, as amended from time to time (the "LBCS ISDA Master Agreement"), including the Schedule to the LBCS ISDA Master Agreement (the "LBCS Schedule") and the Credit Support Annex thereto the ("LBCS CSA") and together with the LBCS ISDA Master Agreement and the LBCS Schedule, the "LBCS ISDA Documentation").

79. LBCS's obligations under the LBCS ISDA Documentation are guaranteed by LBHI pursuant to that certain Guarantee of Lehman Brothers Holdings Inc. dated on or about October 12, 2006 (the "LBCS ISDA Guarantee"). Pursuant to the LBCS ISDA Guarantee, LBHI unconditionally guaranteed to Calyon the due and punctual payment of all amounts due and payable by LBCS to Calyon under each of the transactions entered into under the LBCS ISDA Documentation.

80. Calyon and LBCS entered into various transactions pursuant to the LBCS ISDA Documentation, as more particularly set forth in Calyon's responses to the Derivatives Questionnaire and/or the Guarantee Questionnaire (as subsequently defined), each as applicable.

81. The commencement of LBHI's chapter 11 case constituted an Event of Default pursuant to §5(a)(vii) of the LBCS ISDA Master Agreement as LBHI served as the Credit Support Provider under the LBCS ISDA Documentation.

82. On September 16, 2008, Calyon delivered a notice to LBCS pursuant to §6(a) of the LBCS ISDA Master Agreement, designating September 16, 2008 as the Early Termination Date on which all outstanding transactions under the LBCS ISDA Documentation would be terminated.

83. On December 30, 2008, Calyon delivered a statement to LBCS pursuant to §6(d)(i) of the LBCS ISDA Master Agreement containing Calyon's calculation of the termination amount due and payable between Calyon and LBCS under the LBCS ISDA Documentation (the "LBCS Calculation Statement").

84. As stated in the LBCS Calculation Statement, the amount payable to Calyon under the LBCS ISDA Documentation by LBCS is (subject to the EDFT Payment discussed below) \$15,030,239 plus any costs, fees, interest and costs of carry.

85. Accordingly, subject to the EDFT Payment discussed below, Calyon holds a claim against LBCS under the LBCS ISDA Documentation in the amount of \$15,030,239 plus any costs, fees, interest and costs of carry.

86. In addition, and subject to the EDFT Payment discussed below, Calyon also holds a claim against LBHI on account of the LBCS ISDA Guarantee in the amount of \$15,030,239 plus any costs, fees, interest and costs of carry.

I. The EDF Trading Letter of Credit

87. Upon information and belief, LBCS and EDF Trading Limited ("EDFT") are parties to an ISDA Master Agreement dated as of May 23, 2006 (the "EDFT/LBCS ISDA Master Agreement").

88. Pursuant to a framework agreement between Calyon and EDFT, a certain letter of credit number 070925IS462GBR (the "EDFT Letter of Credit") was raised against EDFT's account with Calyon for the benefit of LBCS to facilitate payments due by EDFT to LBCS under the EDFT/LBCS ISDA Master Agreement.

89. Subsequent to a purported termination of outstanding transactions under the EDFT/LBCS ISDA Master Agreement, LBCS issued a demand for payment of €50 million under the EDFT Letter of Credit to Calyon.

90. In response to the demand for payment, and in reliance on the rights set forth in Part 5(c) (*Set-off*) of the LBCS Schedule (expressed as the new Section 6(f) of the LBCS ISDA Master Agreement), Calyon paid LBCS the amount of €38 million under the EDFT Letter of Credit (the "EDFT Payment"), and such payment constituted the full satisfaction of Calyon's obligations to LBCS under the EDFT Letter of Credit.

91. In accordance with the new Section 6(f) of the LBCS ISDA Master Agreement, the remainder of the €50 million demanded by LBCS under the EDFT Letter of Credit was set off against the amount payable by LBCS to Calyon under the LBCS ISDA Documentation (\$15,030,239 less any costs, fees, interest and costs of carry) and therefore the amount owing to Calyon under the LBCS ISDA Documentation has been reduced accordingly. To the extent that such offset is challenged by any party in any way, Calyon fully reserves the right to seek the full amount owing to Calyon under the LBCS ISDA Documentation by LBCS, including but not limited to \$15,030,239 plus any costs, fees, interest and costs of carry.

92. To the extent of those obligations of EDFT to LBCS under the EDFT/LBCS ISDA Master Agreement to which the EDFT Letter of Credit was applicable, the EDFT Payment

constitutes the full satisfaction of EDFT's obligations to LBCS under the EDFT/LBCS ISDA Master Agreement.

J. The Amounts Owed Under the Calyon/Lehman Agreements and Related Guarantees

93. As a result of the EDFT Payment, and based on the amounts owed to Calyon under the LBIE ISDA Documentation the LBF ISDA Documentation, the LBSF ISDA Documentation, the LBCS ISDA Documentation, the LBIE GMSLA, the LBIE GMRA and the corresponding guarantees by LBHI (collectively, the "Calyon/Lehman Agreements"), Calyon holds a claim against the Lehman Affiliates under the Calyon/Lehman Agreements in the amount of \$253,605,004 plus any costs, fees, interest and costs of carry. In the event that the conditions precedent to payment under the LBCC Section 6(f) are satisfied as set forth in the Revised LBCC Calculation Statement, the amount owed to LBCC under the LBCC ISDA Master Agreement would be \$33,982,184. Notwithstanding the foregoing and in the event that Calyon's legal or factual positions concerning the aforementioned Calyon/Lehman Agreements and the assertion of its rights thereunder are not credited in full, Calyon's gross aggregate claim against the Lehman Affiliates under such agreements is in the amount of \$268,635,243 plus any cost, fees, interest and costs of carry.

94. For the reasons set forth above, Calyon also holds a claim against LBHI in the amount of \$253,605,004. Notwithstanding the foregoing and in the event that Calyon's legal or factual positions concerning the aforementioned Calyon/Lehman Agreements and the assertion of its rights thereunder are not credited in full, Calyon's gross aggregate claim against LBHI under such agreements is in the amount of \$268,635,243 plus any cost, fees, interest and costs of carry.

95. In the event that any provision of the Calyon/Lehman Agreements or the guarantees provided by LBHI is determined to be unenforceable (including but not limited to the LBI Section 6(f) and the LBCC Section 6(f)), Calyon reserves the right to assert individual claims against each counterparty to the Calyon/Lehman Agreements in the amounts set forth above (as may be amended) specifically against each Lehman Affiliate and against LBHI as the guarantor of such obligations.

96. In accordance with the order establishing the deadline for filing proofs of claim against the Debtors dated July 2, 2009 (the "Bar Date Order"), the documentation supporting this claim will be uploaded onto the website created for the completion of the Derivative Questionnaire⁴ and the Guarantee Questionnaire (as defined in the Bar Date Order) and has not been attached to this Claim.

Reservation of Rights

97. Calyon expressly reserves the right to amend or supplement this Claim at any time, in any respect and for any reason, including but not limited to, for the purposes of (a) fixing, increasing, or amending the amounts referred to herein, and (b) adding or amending documents and other information and further describing the claims, particularly with respect to the claims of the various Affiliates of Calyon against the Lehman Affiliates. Calyon does not waive any right to amounts due for any claim asserted herein by not stating a specific amount due for any such claim at this time, and Calyon reserves the right to amend or supplement this proof of claim, if Calyon should deem it necessary or appropriate, to assert and state an amount for any such claim.

⁴ Because neither the LBIE GMSLA nor the LBIE GMRA constitute a "Derivatives Contract" within the meaning given to that term in the Bar Date Order, the documentation supporting the claims under these contracts will be uploaded only onto the website created for the completion of the Guarantee Questionnaire.

98. This Claim is made without prejudice to the filing by Calyon and any related entities of additional proofs of claim for any additional claims against this Debtor or any other of the Debtors, LBIE, LBF and LBI and non-debtor entities affiliated with the Debtors of any kind or nature, including, without limitation, claims for administrative expenses, additional interest, late charges, and related costs and expenses, and any and all other charges and obligations reserved under the applicable documents and other transaction documents, and claims for reimbursement in amounts that are not fully ascertainable.

99. The filing of this Claim is not intended to be and shall not be deemed to be or construed as (a) a waiver or release of any right to claim specific assets; any rights of setoff, recoupment, or counterclaim; or any other right, rights of action, causes of action, or claims, whether existing now or hereinafter arising, that Calyon has or may have against the Debtors, LBIE, LBF or LBI or non-debtor entities affiliated with the Debtors or any other person, or persons, and Calyon expressly reserves all such rights, or (b) an election of remedies.

100. Nothing herein modifies, alters, amends and/or waives any right Calyon may have under applicable law or any agreement or understanding to assert and recover from the Debtors, LBIE, LBF or LBI or non-debtor entities affiliated with the Debtors, or any other person or persons, upon rights, claims, and monies.

101. Calyon lacks sufficient information at this time (which, upon information and belief, is in the exclusive possession of the Debtors and/or their affiliates) to know whether assets of the Lehman Affiliates or any other Debtor engaged in transactions between or among themselves have been transferred out of the estate of a particular Lehman Affiliate, the consequence of which would give rise to a claim by Calyon against such entities for or relating

to the claims set forth herein. Accordingly, Calyon reserves its rights to assert against such other entities claims set forth herein or related thereto as may be appropriate.

102. In executing and filing this claim, Calyon does not submit itself to the jurisdiction of this Court for any other purpose than with respect to this Claim. This Claim is not intended to be, and shall not be construed as (i) an election of remedies, (ii) a waiver of any past, present or future defaults, or (iii) a waiver or limitation of any rights remedies, claims or interests of Calyon.

103. Calyon has received notices containing two “unique identification numbers” in relation to its claims against certain of the Debtors (including 1000059135 and 1000091714), however such notices fail to identify which number is linked to which Debtor and Calyon has been unable to obtain clarification from the Debtors’ counsel as to which number applies to each of Calyon’s claims. As such, Calyon is unable to determine the correct unique identification number to use for each of its claims and Calyon therefore reserves all rights with respect to use of a number that is not the number intended by the applicable Debtor.⁵
